

"The Big Problem can't be solved with super strength, or super speed. The Big Problem will only stop growing if all the new Superheroes use their Stay Home Superpower to stay at home. In fact, if all the new Stay Home Superheroes work together the Big Problem will get smaller, and smaller and smaller every single day, until it goes away!" mummy explained.

"But staying home is a boring superpower!" said William in a grump.

"Boring? No way! You have the superpower to make this fun! And staying home is how YOU can help to save the whole world- there's nothing more powerful than that!"

Just staying home and having fun could save the whole world? And he would be a real-life superhero? William started to feel excited. He started to feel powerful too! He couldn't wait to tell all his friends that they could turn into Stay Home Superheroes just like him!

William got to work quickly, using his Superhero creativity to think of all the fun things he could do at home. He made a long list with his mummy and daddy: pillow forts and cooking and games and dancing and puppet shows and singing and movies and MORE! Even better, William found out he could still play in the garden and go outside too, as long as he stayed away from all the superheroes who lived in different houses. They could wave to each other and wink, because they all knew the special job they were doing!

William did miss playing with his friends and going swimming and to the park. But then he remembered how important his new Superhero job was. He was helping to save the whole world and that made him feel so good inside. He was very proud of himself. Then he fired up his superpowers ready to find something fun to do. William the Stay Home Superhero and all his superhero friends worked hard together to help save the world, all without leaving their homes. And now you know, you can be a superhero too!
