

# Home Learning Newsletter Reception

Friday 30<sup>th</sup> June 2023

## This week we have learnt

- Where our food comes from around the world and looked at the locations on a map.
- To develop our maths skills further with a focus on sharing amounts between more than 2 people.
- How to draw with more detail - focusing on features and specific details.

## Activity Menu -

1. Become an artist 	2. Master a new skills 
<p>The children have watched 'Austin's butterfly' recently which demonstrates how small changes and focusing on one small detail at a time can help us to create a more detailed, accurate picture.</p> <p>Can you become an artist and draw or paint a picture of something you can see in or around your house?</p>	<p>Can you learn a new skill?</p> <p>This could be tying shoelaces, learning to ride a bike, baking something new, fastening buttons, hop scotch, writing new words.</p>

## Important messages . . .

- Firstly, a great big thank you for supporting our craft afternoon. We loved all of your creations, they were amazing! We have been overwhelmed by the support we have received from you all this year, we are extremely grateful.
- On Wednesday and Friday next week, both reception classes are closed due to strike action. Please check parentmail regularly to see if you have received an invite in for your child.
- On Thursday 6<sup>th</sup> July all children will be having a transition day into year 1 with their new class teachers.
- On Tuesday 11<sup>th</sup> July we will be having a fundraising day to raise donations for the summer fayre - Please see separate parentmail email for further information.
