Wb Monday 26th June, 2023

This week we have

We learnt about expanded noun phrases, how we can use an adjective or two to describe a noun.

We have started to write the beginning of our own stories of the 'Three Little Hedgehogs' or other animals. Year 1 have really enjoyed doing this!

We recapped on even and odd numbers in maths.

We have also started to think about using data using bar charts, venn diagrams, and tally charts.

We learnt how to say hello in many different languages.

This week we have been doing our end of year Maths and Reading papers where children have shown such an amazing attitude towards these!
