

Home Learning Newsletter Year 5

Friday 13th March 2023

This week we have learnt...

- Relax Kids with Mrs Bale
- Outdoor Learning with Mr Jacklin
- Began a new writing journey on Myth Writing.
- Fractions of amounts in Maths
- Striking skills in P.E with Kwik Cricket
- First Aid training
- French: Galaxy Fact File

Activity Menu

1. Get reading

Please spend some time on your Reading Plus account and complete a book and a vocabulary lesson.

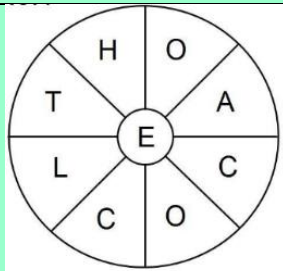

Let's continue to be consistent with our reading to improve our fluency and vocabulary.

2. Get mathematical

If 140 represents $\frac{5}{7}$ of a badge collection, how many badges are in the total collection?

3. Spelling

How many words can you make using these letters. Each word must include the middle letter 'E'.

4. Get coding

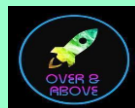

Scan the QR code and choose 'Play Online' to practise your coding skills.

We will celebrate everything that is uploaded during Wednesday's morning meeting...

Don't Forget . . .

- Thank you for all the kind donations for the Summer Fayre, the children had a wonderful afternoon outside for the summer fayre donation afternoon. The Summer Fayre will take place in school next Thursday.

THE MORE YOU GLOW
